Criminal No. **PJM 90-072**  
Civil No. **PJM 10-1052**

**MEMORANDUM OPINION**

The Court has before it Petitioner Felix Oriakhi's Motion for Relief from Judgment Pursuant to Rule 60(b) (Dkt. 859). This is yet another in a stream of post-conviction proceedings filed by Petitioner.

He has not shown that the Fourth Circuit has authorized yet another of his successive petitions for relief.

Accordingly, the Motion is **DENIED**.

The Court concludes here, as it has in the past, that there is no basis to grant a certificate of appealability.

But Petitioner may seek leave from the Fourth Circuit for permission to file a successive petition.

A separate Order shall **ISSUE**.
